On 31 March, a military rail shipment consisting of 17 flatcars and 23 boxcars from Brandenburg-Altstadt arrived at Dallgow where it was partly unloaded. The cars which were not unloaded were parked on the sidings serving Doeberitz airfield. The escort and the personnel doing the unloading belonged to the Soviet air force.

Comment : This shipment is another indication that the air force personnel arriving at Doeberitz belong to the ground-attack regiment based at Brandenburg-Briest.
